Lake Superior Gravity Series 2023 Partner Program

What do all these mountain bike events have in common?

- [Ride the Keweenaw](#) Enduro in Copper Harbor, MI (May)
- [Marquette Trails Festival](#) Enduro and Downhill races in Marquette, MI (June)
- [Miners Revenge Mountain Bike](#) Festival Enduro and Downhill races in Greenland, MI (July)
- [Bike Duluth Festival](#) Enduro and Downhill races in Duluth, MN (August)
- [Copper Harbor Trails Fest](#) Enduro and Downhill races in Copper Harbor, MI (September)
- [Marquette MTB Enduro](#) in Marquette, MI (October)

Great trails?

You know it!

Participants from all over the country flocking to Midwest towns?

You betcha!

Tons of stoke?

Sha-wing!

An entity that links them all together, so racers who participate in all or several events get their timing scores combined, giving them the chance to be a Lake Superior Gravity Series champion?

You better believe it!

At Lake Superior Gravity Series we see the value in connecting and networking the ever-growing mass of riders with each other, the towns they visit and the greater mounting biking community. We also work to promote participation of woman and youth in these events while supporting the trails clubs that manage and maintain the trails we ride and race on.

In 2022, over 1,500 racers entered the LSGS series, and that number grows each year! This community of riders is thriving in-person at events and online through our website and social media outlets.

Would you like to be a part of this? You can!

Check out our Partnership Program options. If you have additional ideas for support, we'd love to hear them. Reach out anytime!
